Sir,

Subject - Proposal for the Conversion of the Bhadravati Minor Municipality into a Town Municipality

In forwarding herewith, in original, report No M C 18/43-44 dated 8th July 1943 received from the President, Bhadravati Municipality on the subject noted above, I have the honour to state as follows -

2) During the discussion of the question of converting the Thirthahally Minor Municipality into a Town Municipality at the Shimoga District Conference held on 22nd May 1943, under the Presidentship of the Minister for Local Self-Government and Public Health, a resolution was passed to the effect, that a recommendation might be made to this effect and that the Bhadravati Minor Municipality might also be included therein

3) The Miror Municipal Council, Bhadravati, considered this subject at its meeting held on 29-6-1943, when it was resolved that the Bhadravati Municipality might be converted into a Town Municipality, in view of the fact that this Municipality has a population of over 7,500 and that its annual income has exceeded Rs 10,000 The Municipal Council has further resolved that its existing boundaries might be altered suitably by including Bhadra Colony and Vaddarahatty (vide resolution copy enclosed for kind reference)

4) I have looked into this question I am of opinion that the request of the Municipal Council Bhadravati, deserves to be considered favourably, in view of the importance of the place, being a big industrial centre in the State

5) As to the question of altering the existing boundary, I have issued instructions to the President of the Municipality to submit

submit

——separate proposals with the required draft Notifications and (1) the Town Map On receipt of report from the President, in this connection, the same will be examined and referred to Government for Orders

6 With regard to the question of converting the Bhadravati Minor Municipality into a Town Municipality, I recommend that orders of - Government may kindly be obtained in the matter under Section 5(1) of the Town Municipalities Act 1933

I have the honour to be,
Sir,
